

The Stacy

Total sq. ft. 1440

4 Bedroom

2 Bathroom

6' x 18' Covered Front Porch

6' x 6' Back Porch

The Stacy is the largest of our standard floor plans with four bedrooms and two bathrooms. With three roof lines providing a sophisticated look, the home offers class and affordability. It boasts a large master suite separate from the other bedrooms.

- Large great room with a variety of furnishing options
- Rear door enters into a mud/ utility room
- Two full bathrooms with tub-shower combination
- Can be modified to fit side by side washer and dryer
